INCORPORATED, FOR ITS PERFECT SAFETY RECORD

WHEREAS, it is with pride and admiration that we recognize and commend Rail Transportation Management Specialists, Incorporated, (RTMS) of Alabaster, Alabama, and its founder, Mr. Arthur J. Miller, for an unblemished safety record beginning with the firm's founding in 1985, covering almost 70 projects on more than three dozen railroads, including three in Alabama; and

WHEREAS, RTMS is in the highly challenging business of planning, organizing, and coordinating railroad scenes in feature films, television episodes and Movies of the Week, commercials, music videos, and various other types of film and video tape productions; and
